A self-service non cooling display case for the sale of goods. The front non-hardened rounded glass with the thickness of 6 mm. The shelves are made of hardened glass. There are no sliding doors double-glazed with insulating glass from the shop attendant side. Lighting by means of AL line lamps fitted with up-to-date LED chips. Pressed stainless trays or pastry trays for display of goods can be supplied on request.

The guarantee period of the product is 24 months. Guarantee and post-guarantee repairs are carried out by the producer or, after an agreement, by the service centre in the place of the user. Producer reserves the privilege for changeover.
